**The Commonwealth of Massachusetts**

An Act to provide retirement options for nonprofit organizations.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 29 of the General Laws, as appearing in the 2008 Official Edition,  
2 is hereby further amended by adding the following section, after section 64D:

3 “Section 64E. Defined Contribution Retirement Plan; Not-For-Profit Employers

4 (1) The state treasurer may conduct research regarding the current status of retirement  
5 programs available to not-for-profit employees, and the appeal of creating a program for their  
6 benefit. For the purposes of implementing and administering a defined contribution plan for the  
7 benefit of not-for-profit employees, the state treasurer shall have, in addition to all other powers  
8 and duties provided by this chapter, the following additional powers and duties with respect to  
9 the programs expressed in Massachusetts General Laws chapter 29, section 64 and  
10 Massachusetts General Laws chapter 10 section 18.

11 (2) The state treasurer of the commonwealth, on behalf of the commonwealth, may  
12 sponsor a defined contribution plan that may be adopted by not-for-profit employers for their  
13 employees in accordance with Section 401(a) of the U.S. Internal Revenue Code, (the "Code"),  
14 regulations provided under that section, and applicable guidance from the Internal Revenue  
15 Service. The state treasurer shall obtain approval from the Internal Revenue Service with respect  
16 to the plan and shall provide for administration of the plan so that it is in compliance with the  
17 Code and other applicable federal and state laws including the Employee Retirement Income

18 Security Act of 1974 ("ERISA"). The plan shall provide for a qualified trust under Section  
19 401(a) of the Code, with contributions made to the trust by the not-for-profit employer, the  
20 employer's employees, or both. Under the trust instrument it shall be impossible, at any time  
21 prior to the satisfaction of all liabilities with respect to employees and their beneficiaries under  
22 the trust, for any part of the corpus or income to be used for, or diverted to, purposes other than  
23 the exclusive benefit of employees or their beneficiaries. In order to participate in the plan, a not-  
24 for-profit employer must (i) execute a participation agreement, and (ii) agree to the terms of the  
25 plan and to operate the plan in compliance with the Code and ERISA. The state treasurer may  
26 require that the not-for-profit employer sign a service agreement and use forms and procedures  
27 prescribed by the treasurer. The state treasurer may also require that certain employers seek  
28 approval from the Internal Revenue Service with respect to their plans.

29 (3) The state treasurer may contract with practitioners, administrators, investment  
30 managers, and other entities in order to design, administer, and provide investment options under  
31 the plan. The state treasurer shall, before making any such contract, solicit bids from companies  
32 authorized to conduct business within the commonwealth, which bids shall be sealed, and  
33 opened at a time and place designated by the treasurer. Any bid submitted shall, where  
34 applicable, clearly indicate the interest rate which shall be paid on the deferred funds, any  
35 commissions which will be paid to the salesmen, any load imposed for the purpose of  
36 administering the funds, mortality projections, expected payouts, tax implications for  
37 participating employees and such other information as the treasurer may require. Any contract  
38 entered into between an employee and the not-for-profit employer pursuant to this section shall  
39 include all such information in terms the employee can reasonably be expected to understand.  
40 Upon the treasurer's determining which provider offers the product or products most beneficial to  
41 the employee in each category for which bids were solicited, the employee may choose the  
42 investment option(s) for their account.

43 Notwithstanding any provisions to the contrary, the state treasurer shall not be required to  
44 solicit bids to invest the contributed portion of an employee's income into the employee's 401(k)  
45 account provided:

46 (a) that the state treasurer is authorized by the employee to pay that portion of the  
47 employee's compensation into the employee's 401(k) account in the same investment products as  
48 provided through a deferred compensation plan for employees of the commonwealth  
49 administered by the state treasurer, and

50 (b) that such plan resulted from the solicitation of bids in accordance with requirements  
51 provided under this section.”

52 (4) There shall be in the office of the state treasurer a not-for-profit defined contribution  
53 committee. The committee shall consist of the state treasurer or his designee, who shall serve as  
54 chairperson, and 6 additional members appointed by the state treasurer, 3 shall have practical

55 experience in the human services, educational, or public and societal benefit sector of the non-  
56 profit community. The remaining three appointees shall be currently employed by not-for-profit  
57 corporations. The initial term of the first three appointees shall be for two years and the initial  
58 term of the remaining appointees shall be for three years. Except that future appointments of the  
59 fourth, fifth, and sixth members shall be arranged so as not to expire in the same year. All  
60 subsequent appointments, including reappointments, shall be for a term of three years. In the  
61 case of a vacancy of any of the members, a successor shall be appointed as aforesaid for a full  
62 term or for the unexpired portion thereof, as the case may be. A member of the committee shall  
63 be eligible for reappointment. The committee shall annually elect 1 of its members to serve as  
64 vice-chairperson. Each member of the committee serving ex officio may appoint a designee  
65 pursuant to section 6A of chapter 30. Said committee shall meet from time to time and assist the  
66 state treasurer in the development of general policy regarding the program, and shall provide  
67 technical advice and input to the state treasurer. The members of said committee shall serve  
68 without compensation, but shall be reimbursed for expenses necessarily incurred in the  
69 performance of their duties.”

70 (5) The state treasurer is hereby authorized to adopt rules and regulations related to this  
71 section and do all things convenient to carry out the provisions and purposes of this section.

72 (6) As used in this section, the term "not-for-profit employer" shall include eligible  
73 organizations incorporated under the Internal Revenue Code Section 501(c), but does not include  
74 a governmental employer.”
